Reports

- There hasn't been a great turnout for the Christmas Poster Contest

New Business

- Budget
 - Changing the fund name from Hike for Life to Pro Life
 - From the leftover sponsor money from the Hike for Life can be changed to Pro Life so whatever funds we collect from other fundraisers can go into that fund and can be given to any Pro Life organization.
 - Changing the Tea for Mrs. Claus fund to a Mother's Day Tea Fund
 - Since Tea with Mrs. Claus didn't get approved, Ms. Chelik came up with the idea of a Mother's Day Tea in the spring with a royal theme.
 - Planning will start immediately after New Years
 - We could possibly talk to a coordinator for the event
 - Keep in mind of spring fundraiser events because we technically haven't had any fundraisers
 - Add Poinsettias line to the budget
 - We really need to push poinsettias this week
 - Have moms post flyers in their Facebook groups
 - If we sell all 200, Roses would make \$800 profit
 - If not all the poinsettias are sold, then we could turn them into some type of service learning project
 - Add Trunk or Treat funds to the budget
